

PET ADMISSION AND HOUSE POLICY FOR GUESTS AND PETS

We know that pets are part of the family, and their presence need not be incompatible with enjoying a trip. That is why, at La Posada del Vencejo, we are delighted to welcome your pets. That said, we share the space with other guests, so for everyone's comfort we set out our pet admission policy below:

- The additional charge is €9 per pet and night, taxes included, for extra cleaning and disinfection.
- There is no weight limit for pets.
- We allow a maximum of 2 pets per room.
- Please remember that your pet must not get up on the beds or the armchairs.
- The owner must bring the pet's usual bed and its food and water bowls.
- The accommodation's towels and linen must not be used for pets.
- Your pet may be left alone in the room only if it is calm and does not bark, to avoid disturbing other guests and any possible damage.
- Pets are allowed in the common areas as long as they remain calm. Otherwise, they must leave the room.
- Inside the premises, the animal must be kept on its lead to avoid disturbing other guests or any sensitive pets that may be staying.
- Please prevent your dog from relieving itself inside the premises. Should it happen, you can ask us for cleaning materials.
- We may request the dog's name, breed and weight, its vaccination record or its compulsory third-party liability insurance.
- We reserve the right to charge for damage or extra cleaning should it be necessary.

These terms and conditions apply to domestic pets and not to assistance dogs, nor to dogs serving with the Armed Forces and the State security forces.

Staying with us implies acceptance of these rules, designed so that we may all enjoy a calm and pleasant stay. Failure to comply may lead to expulsion from the establishment with no right to a refund, in accordance with the applicable tourism regulations.
